

Equipment Rig-Up Specialist

The Rig-Up Specialist will be primarily responsible for the rigging up fabricated and reconditioned production equipment (heaters, separators, etc.). He will work closely with the painters and welders to coordinate his activities. He will maintain production records to ensure accurate preparation of Green Books. He will be under the supervision of the Shop Operations Manager.

Physical requirements are as follows:

- 1) prolonged standing on feet
- 2) repetitive stooping, squatting, twisting and bending
- 3) strength requirements – exerts 20 to 50 pounds of force occasionally, and/or 10 to 25 pounds of force frequently, and/or greater than negligible up to 10 pounds of force constantly to move objects. Physical demand requirements exceed those for light work.
